If the “Territory” is not otherwise defined in an agreement between the parties, “Territory” shall mean the country where the primary use of the Subscription Services occurs.

10.2 Limitations. The foregoing obligations of Vocera will not apply to the extent that any claim arises out of: (i) the use of the Subscription Service in combination with data, goods or services not provided by Vocera where such infringement arises from the combination and where the Subscription Services could have been used, in the manner contemplated by its applicable Product Documentation, in a manner not giving rise to such infringement, or (ii) use of the Subscription Service in breach of Section 4.3 above, in each case to the extent that infringement or misappropriation otherwise would have been avoided. As to claims described in clauses (i) and (ii), End User makes the same undertaking to Vocera as Vocera’s makes to End User in Section 10.1 above, *mutatis mutandis*.

10.3 ENTIRE LIABILITY. TO THE FULL EXTENT PERMITTED BY LAW, VOCERA’S PERFORMANCE OF ITS OBLIGATIONS UNDER THIS PROVISION SHALL BE A SOLE AND EXCLUSIVE REMEDY WITH RESPECT TO THIRD PARTY CLAIMS REGARDING THE ALLEGED INFRINGEMENT OR MISAPPROPRIATION OF PATENTS OR OTHER INTELLECTUAL PROPERTY RIGHTS AND ANY IMPLIED OR STATUTORY TERMS, CONDITIONS, REPRESENTATIONS, AND WARRANTIES OF NON-INFRINGEMENT.

10.4 Defense of Claims Against Vocera. End User, at its own expense, will defend Vocera and its affiliates from or settle any third party claim, suit or proceeding brought against Vocera to the extent it is based upon: (a) End User’s and its agents’ and affiliates’ (collectively, “End User Group”) use of the Subscription Services in a manner that does not conform with this Agreement, including but not limited to the sending of content that may be deemed offensive or inappropriate; (b) the negligence or willful misconduct of End User Group; (c) any infringement of a third party’s intellectual property rights resulting solely and exclusively from End User’s use of the Subscription Services in

combination with any software or mobile device owned by End User Group; (d) any text messages, photos, videos or other communications sent by End User Group to a third party through the Subscription Services; (e) any communications sent by End User Group to any recipient other than a person designated by a patient; (f) End User’s decision not to store or maintain Vocera Ease Communications for future reference or use; (g) End User’s failure to obtain consent from a patient in advance of sending any Vocera Ease Communications; and (h) any Claim relating to, or arising from, any HIPAA violation committed by End User Group or breach of the Business Associate Agreement by End User. End User will indemnify and hold Vocera harmless from all amounts (i) awarded by a court of competent jurisdiction in such matter (including damages, costs and fees) or (ii) agreed in a settlement to which End User has assented in writing. The foregoing is contingent on Vocera providing End User prompt written notice of any such claim or action and giving End User full information and assistance in connection with defending and/or settling such claim, at End User’s sole expense. End User shall have the sole right to control the defense of any such claim or action and the sole right to settle or compromise any such claim or action.

11. Damages Exclusions and Limitations.

WITHOUT PREJUDICE TO ANY OF THE FOREGOING, AND NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY, VOCERA’S LICENSORS (AS DEFINED IN THE APPLICABLE EULA) DISCLAIM ALL LIABILITY TO END USER FOR DAMAGES OF ANY KIND AND VOCERA WILL NOT BE LIABLE FOR:

- (B) COSTS OF PROCUREMENT OF SUBSTITUTE PRODUCTS OR SERVICES;**
- (C) SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR EXEMPLARY DAMAGES ARISING OUT OF OR RELATING TO TRANSACTIONS UNDER THIS AGREEMENT (I) HOWEVER CAUSED OR ALLEGED TO BE CAUSED, (II) EVEN IF VOCERA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, (III) WHETHER GROUNDED IN WARRANTY, NEGLIGENCE, TORT, STRICT LIABILITY, BREACH OF CONTRACT, CIVIL LIABILITY OR OTHER CAUSE OF ACTION OR CLAIM UNDER OR IN CONNECTION HERewith OR THE SUBJECT MATTER HEREOF, AND (IV) REGARDLESS OF WHETHER MADE IN THE FORM OF AN ALLEGATION, DEMAND, SUIT, ACTION OR OTHER PROCEEDING OF ANY KIND (COLLECTIVELY, “CLAIM”); OR**
- (D) ANY AMOUNT EXCEEDING THE “LIABILITY LIMIT” (AS DEFINED BELOW).**

THE “LIABILITY LIMIT” IS ONE HUNDRED FIFTY PERCENT 150% OF THE AMOUNT ACTUALLY PAID BY END USER HEREUNDER FOR THE SPECIFIC SERVICES SUBJECT TO THE CLAIM WITHIN THE TWELVE (12) MONTHS PRIOR TO THE DATE OF THE CLAIM.

IF ANY PART OF THIS SECTION 11 IS FOUND TO BE UNENFORCEABLE BY ANY COURT OR COMPETENT AUTHORITY OR WOULD BE FOUND TO BE UNENFORCEABLE IF IT WERE INTERPRETED OR CONSTRUED IN A PARTICULAR WAY, THEN, THE RELEVANT WORDING SHOULD BE INTERPRETED OR CONSTRUED SO AS TO AVOID SUCH A FINDING AND THAT, IN THE EVENT OF SUCH A FINDING, THE REMAINDER OF THE PROVISION IN QUESTION SHALL BE INTERPRETED OR CONSTRUED TO GIVE IT FULL EFFECT.

Any other attempted assignment or transfer without such consent shall be null and void. Subject to the foregoing, the Agreement will inure to the benefit of and be binding upon the permitted successors and assigns of the parties.

12.4 No Other Agreements. All previous agreements and arrangements (if any) made by Vocera and End User and relating to the subject matter hereof are hereby superseded. This Agreement, including all attachments and incorporated policies, embodies the entire understanding of the parties with respect thereto. This Agreement may only be amended by a writing signed by the parties. The foregoing does not limit Vocera's rights to provide, establish, post, publish, or amend Product Documentation, materials, and policies subject to the express limitations in this Agreement.

12.5 Waiver. No waiver or amendment of any provision hereof shall be valid unless in writing. Any waiver shall only be applicable to the specific incident and occurrence waived. The failure of either party to insist upon strict performance, or to exercise any rights hereunder, shall not act as a waiver.

The United Nations Convention on the International Sale of Goods, and any local implementing legislation shall not apply to the Agreement.

12.10 Counterparts. If an Agreement is executed in counterparts, the counterparts when executed and delivered, shall each be deemed an original and taken together shall constitute one and the same instrument.

12.11 Conflict. The terms of this Agreement shall prevail in the event of a conflict with any otherwise applicable law for the protection of proprietary rights. Any different or additional term preprinted on any End User Purchase Order or similar document are hereby rejected, notwithstanding any term set forth therein to the contrary.

12.13 Screening of Certain Personnel.

(a) Vocera obtains pre-employment background screening reports as a condition of employment. All pre-employment inquiries are limited to information that affects job performance and the workplace. Screening is conducted in accordance with applicable federal and state laws including the Fair Credit Reporting Act (FCRA). The screenings are by an outside agency. The screening report includes information concerning driving record, education records, and civil/criminal court records (over the last seven years).

(b) All employees that are expected to provide professional services at the End User site are required to take a standard drug urine test designed to detect casual drug use that occurred within the past 72 hours. Testing is performed at Substance Abuse and Mental Health Services Administration (SAMHSA)-certified laboratories. The drug test is a ten panel test that includes and supplements the federally mandated (SAMHSA/DOT) five-drug panel. The ten panel screens for the presence of the following drugs and drug classes: amphetamines (amphetamine and methamphetamine), barbiturates (amobarbital, butalbital, pentobarbital, phenobarbital, and secobarbital), benzodiazepines, cocaine metabolite, marijuana metabolites, methadone, methaqualone, opiates (codeine and morphine), phencyclidine, and propoxyphene.

12.14 Compliance with Disclosure Law. To the extent required by law the following provision applies: End User and Vocera agree to comply with the Omnibus Reconciliation Act of 1980 (P.L. 96-499) and its implementing regulations (42 CFR, Part 420). Vocera further specifically agrees that until the expiration of four (4) years after furnishing services and/or products pursuant to this Agreement, Vocera shall make available, upon written request of the Secretary of the Department of Health and Human Services, or upon request of the Comptroller General, or any of their duly authorized representatives, this Agreement and the books, documents and records of Vocera that are necessary to verify the nature and extent of the costs charged to End User hereunder. 12.15 Debarment. Vocera represents that (i) it has not been convicted of a criminal offense related to health care, and (ii) it is not currently listed by a federal agency as debarred, excluded or otherwise ineligible for participation in federally funded health care programs. Vocera shall notify End User immediately, in writing, of any change in this representation during the term of this Agreement. Such change in circumstances shall constitute cause by the End User to immediately terminate this Agreement. For purposes of this paragraph, Vocera is defined as the entity entering into this contract, and/or its principals, employees, directors and officers and shareholders (provided, however, that, if Vocera is publicly traded, the term "Vocera" shall not include shareholders owning publicly traded shares of Vocera).

12.16 Personal Inducements. If Vocera hereafter posts any new or modified versions of these Subscription Terms and Conditions, the applicable Product Documentation or the applicable Support Terms at www.vocera.com/legal, such new or modified version will apply to any Renewal Terms for Subscription Services purchased under this Agreement which begin subsequent to the date of such posting.

12.18 Marketing. Vocera may desire to announce, through its website and other marketing channels, that End User is making use of the Subscription Services. Such announcement may also include End User's logo and a link to its web site. End User will be provided with details in advance of any such announcement which will be subject to End User's approval, not to be unreasonably withheld.

13. Data Storage.

13.1 Data Storage Option. If the Quote includes Data Storage then such storage will occur for the duration of the elected storage length from the first date of a Vocera Ease Encounter. Upon expiration of the Agreement End User may request that Vocera purge all the data, subject to End User's payment of any applicable fees.

13.2 Patient Retrieval Requests. For Data Storage Customers, a Patient Retrieval Request is defined as a request received by Vocera in writing, regardless of the source, for data relating to an individual patient following a Vocera Ease Encounter and limited to a seven-day search range. By way of example, a request for John Smith's media from a 1-day surgery with a 2- day recovery stay at a facility would constitute one (1) Patient Data Retrieval, while a request to include data relating to a follow-up surgery performed on the same patient ten days after the initial surgery would constitute two (2) Patient Data Retrievals. End User shall pay an additional fee per request for each Patient Retrieval Requests beyond the amount purchased on the Quote. Vocera will supply End User with the requested data within two business days of Vocera's receipt of such request, in a secure, mutually agreed upon format. 3. Support Term and Fees. Support for Subscription Services as described within these Support Terms is included with the fees for the Subscription Service for the duration of End User’s Subscription Term.

4. Technical Support Scope.

4.1 Support includes only Technical Support for the Subscription Services only and requires that End User arrange to receive support for non-Vocera software or hardware issues in End User’s Operating Environment from End User’s own internal resources, or from another third party supplier.

4.2 As a precondition to Vocera’s Support obligations hereunder, End User must arrange to provide support for End User’s Users. “User Support” means providing training, assistance and support to Users of the Subscription Services. User Support includes answering User questions and resolving problems that can be resolved by reading the Product Documentation. Usually this level of support is provided by End User’s own internal resources, but may be provided by a third party. If requested, Vocera will provide training to such User Support provider on a fee basis at Vocera’s then current rates and subject to mutually agreed terms and conditions.

4.3 As a precondition to Vocera’s Support obligations hereunder, End User must arrange to provide internal support for the operation of the Subscription Services with the System. “Operational Support” includes systems administration, provisioning the technical infrastructure required to support the Subscription Services and verifying problems reported by Vocera Users. Operational Support provides information and support on a range of product configurations, set-up issues, System backup and restore procedures, usage and basic System troubleshooting, and information pertaining to the Subscription Services. Operational Support may be provided by the End User’s own resources or by a qualified third-party. If requested, Vocera will provide training to such Operational Support provider on a fee basis at Vocera’s then current rates subject to mutually agreed terms and conditions. End User is also responsible for maintaining current support contracts for third party products which are required for the End User’s Vocera infrastructure.

4.4 “Technical Support” means support for those Incidents that could not be resolved by Operational Support. For purposes of this Section, Technical Support includes recommendations on functions and operation of the supported Subscription Services, and the creation of workarounds for defects in the supported Subscription Services.

4.5 Vocera provides Technical Support during the hours specified for the Support Offering purchased (see Table 1). Such Support, unless stated, does not include installation assistance, training and on-site support. Such additional services may be purchased on a fee basis at Vocera’s then current rates and subject to mutually agreed terms and conditions.

4.6 To obtain Support, End User’s Designated Support Contact must report the details of the problem to Vocera at the contact information appearing in Table 1, including the details of the Operational Support process that failed to resolve the problem (an “Incident”).

5. Conditions to Delivery of Support.

Vocera’s delivery of Support is subject to and conditioned on the following:

5.1 End User must obtain User Support and Operational Support as provided above.

5.2 End User must appoint a minimum of two individuals, for End User’s Support Offering, to serve as the contacts between End User and Vocera (“Designated Support Contacts”). A Designated Support Contact should have an understanding of the Subscription Services components and features, have a working knowledge of wired and wireless networks, and End User’s Operating Environment. Only Designated Support Contacts may escalate technical support requests to Vocera. Vocera reserves the right to reject technical support calls from individuals other than Designated Support Contacts. End User will provide Vocera in writing with the name and contact information of each Designated Support Contact and will notify Vocera promptly of any changes in End User’s list of Designated Support Contacts. E-mail sent to *support@vocera.com* or *Support@Vocera Care Experience.com* will satisfy the foregoing notification requirements.

5.3 Before escalating a problem to Vocera, End User’s staff must escalate the problem internally to a Designated Support Contact, and End User must otherwise follow the Vocera defined escalation process and provided problem as requested by Vocera.

5.4 To help Vocera ensure that its products meet the highest quality standards, End User will notify Vocera of any material failure, malfunction or error that End User detects in the Subscription Services, within 15 days of detecting the issue, and will provide Vocera with information reasonably requested by Vocera to assist with determination and analysis of the problem.

5.5 In cases where End User requires Support assistance from Vocera, End User will arrange for a remote access and connectivity to the System. Such access shall be remote, originating from Vocera’s support center and requiring the use of the Internet.

5.6 End User will assign one of the Designated Support Contacts as a project manager responsible for success of deployment and on-going user satisfaction with the Vocera Care Experience Solutions. The project manager’s responsibilities must include at a minimum, but not by way of limitation, (i) implementation of internal processes and procedures for use and maintenance of Vocera Care Experience Solutions, (ii) regular audits that include evaluation of user behavior and skills with Vocera Care Experience Solutions and assessment of user satisfaction with the Vocera Care Experience Solutions, (iii) documenting user feedback and providing findings to Vocera on as-requested basis, (iv) assuring user training compliance and on-going knowledge dissemination and training and (v) acting as a liaison between End User and Vocera.

5.7 End User is responsible for the proper operation and maintenance of End User’s Operating Environment.

6. Determination of Error Severity and Response Times.

6.1 During the term of this Agreement, End User may submit a report to Vocera specifying Errors in the Subscription Services which End User requests to have corrected. “Error” means a verifiable and reproducible failure of the Subscription Services to conform in a material respect to the Product Documentation. When an Error has been identified through Vocera Technical Support, Vocera and End User will agree to the Severity Level of the Error and associated Vocera response times and resolution process as defined in Table 3 below:

Table 3: Error Response by Severity Level		
Severity Level	Description	Response Times and Error Resolution
Severity 1: Emergency	Severity 1 means End User’s use of the Subscription Services has completely shut down, or is suffering such loss of critical functionality that an entire department or site is unable to utilize the Subscription Services, and no work-around is available.	Vocera will contact End User within 1 hour of receipt of notice of the Incident to collect information and to work with End User’s Designated Support Contact to attempt to restore usage of the Subscription Services. Restoration of the Subscription Services may require changes to End User’s Operating Environment or network configuration, and may involve loss of data. If Vocera determines that the outage is due to an Error in the Subscription Services, Vocera will engage our development staff to attempt a fix in an updated version of the Subscription Services. If the Error in the Subscription Services is causing repeated outages and no workaround is available, Vocera will engage our Engineering staff to attempt to deliver an emergency fix on a mutually agreeable timetable. For Severity 1 Incidents, both End User and Vocera will dedicate appropriate technical resources and provide continuous effort until basic System functionality is restored or the problem is isolated to a third party component (i.e. PBX, BES, server, network etc.).
Severity 2: Time-Critical	Severity 2 means that the Subscription Services are functioning inconsistently and with such limited capabilities that End User’s usage and productivity are significantly impaired, e.g. loss of certain administrative or reporting functions impacting multiple users, with no work-around available.	Vocera will contact End User within 4 hours* of receipt of notice of the Incident to collect information and to work with End User’s Designated Support Contact to attempt to restore the functionality of End User’s Subscription Services. Resolution may require shutting down the Subscription Services, or may require changes to End User’s Operating Environment or network configuration. If Vocera determines that the loss of functionality is due to an error in the Subscription Services, Vocera will engage our development staff to attempt to provide a fix in the an updated version of the Subscription Services.
Severity 3: Standard	Severity 3 means that individual components of the Subscription Services are functioning inconsistently and End User’s usage and productivity are slightly impaired, but End User can reasonably work around such inconsistency or impairment. Severity 3 Incidents include issues with administrative or reporting functions, and other issues impacting individual Users.	Vocera will contact End User within 24 hours of receipt of notice of the Incident to collect information and to work with End User’s Designated Support Contact to verify the problem.

Table 3: Error Response by Severity Level

Severity Level	Description	Response Times and Error Resolution
Severity 4: Informational	Severity 4 means the Subscription Services and System is functioning consistently and End User’s usage and productivity are not materially impaired. Severity 4 Incidents include “how-to” questions, media requests, feature suggestions and requests for information.	Vocera will contact End User within 24 hours of receipt of notice, if a response is requested.

6.2 For the Standard Support Offering, Response Time objectives apply to Incidents logged during the Telephone Support Availability hours for the Standard Support Offering. Response Time objectives for Severity 1 and 2 Errors apply to Incidents logged 7x24, and Response Time objectives for Severity 3 and 4 Errors apply to Incidents logged during normal business hours. The foregoing objectives do not include the time taken by End User to gather system information, transaction data and reproducible test cases necessary to determine the nature of the issue and to isolate defects in the Subscription Services. End User shall, upon reasonable request by Vocera, obtain and provide to Vocera system information, transaction data, and reproducible test cases as necessary to determine the nature of the Incident and to isolate any defects in the supported Subscription Services. Such system and transaction information shall be treated as End User’s Confidential Information and such defects shall be treated as Confidential Information of Vocera. Vocera shall provide End User with reasonable access to Vocera’s Incident database to review the status of End User’s Incidents.

7. On-Site Assistance.

Upon End User’s request and subject to availability, Vocera may furnish qualified personnel for on-site assistance to End User for implementation, testing and training, on a fee basis at Vocera’s then current rates for time, materials and travel and subject to mutually agreed terms and conditions or a written engagement letter.

8. Service Level Commitment.

“Scheduled Uptime” is defined as 24 hours a day, 7 days a week, less downtime arising from (i) scheduled preventive maintenance of up to 8 hours per month (which Vocera will use best efforts to schedule between 11:00 pm and 4:00 am EST), (ii) circumstances beyond Vocera’s reasonable control, including without limitation, acts of God, acts of government, floods, fires, earthquakes, civil unrest, acts of terror, strikes or other labor problems (other than those involving Vocera employees), Internet service provider failures or delays, or denial of service attacks, (iii) inaction, error, abuse, or misapplication of the Subscription Services by End User or its Users; or (iv) failures of End User’s Operating Environment. Vocera will make reasonable efforts to make the Subscription Services available during the Subscription Term with a monthly uptime of at least 99% of Scheduled Uptime.
